

HAVE FUN!

LEARN NEW SKILLS!

GET OUT OF THE HOUSE!

### Would you like to:

Make or mend things using a wide range of tools?

Work on one of our current projects or start your own?

Share what you know with others and learn from them?

Enjoy interesting chat, banter, laughter with other members?

**Basingstoke Shed** will allow you to do these things.

**Basingstoke Shed** is like a typical garden shed, but for a group. Working in groups like this has been shown to improve physical and mental health, and to be a lot of fun.

Find out more at the newly established **Basingstoke Shed** where you can see what's going on and join in.

Our core opening times are 2pm to 8pm Monday and Wednesday (see our website for other times) at Everest Community Academy, Basingstoke RG24 9UP.

**We are always grateful for donations of unwanted tools.**
